Initial Setup/Installation of Driver

TV Installation

   Setup TV according to TV documentation.

Using RS232:

   Create RJ-45 -> RS232 Cable (like below):

   (TIA-568-B) ->
   - W/OR -> Pin 3 (Controller)
   - W/GR -> Pin 2 (Controller)
   - W/BL -> Pin 5 (Controller)

Using IR:

   (TIA-568-B) ->
   - W/BL -> Ground
   - BL -> IR In

Setup in Driver
- Add driver to project
- Set Connections
- Refresh Navigators

Developed by Cinegration LLC for Seura TV 2017.
